SUBJECT: Camera-ready Copies of Newly Revised WIC Materials

English and Spanish camera-ready copies of the new WIC Income Guidelines (stock #13-85) that went into effect April 1, 2001 are being mailed to each local agency this week. Use these masters to print duplexed copies. Cut the duplexed copies into thirds to make sheets that can be inserted into outdated brochures or used as handouts. WIC Income Guidelines (stock number 13-85) will be printed and ready to order from the TDH warehouse in four to six weeks.

The revised version of the Texas WIC Reference Guide (stock #13-55), featuring the WIC Income Guidelines that went into effect April 1, 2001 is also being mailed. Orders already placed by WIC local agencies for this item before the guidelines changed will be filled in four to six weeks with the revised version. Please use the camera-ready copies of the Texas WIC Reference Guide to make your own copies in the meantime.
